## Experiences

2023

BuroI Main Elementary School

### Part-time Tutor for Math and Science

From March to April 2023, I engaged in tutoring sessions focused on mathematics and science for younger elementary school students. This was part of the summer teaching program for the younger students.

2023-2024

### Coffee Shop Barista

I have applied for various part-time positions, including roles at small coffee shops. In these positions, I contributed to their growth by assessing the needs of customers and passersby.

2025

PCU-D

### Printing Shop Staff

As a freshman in our college university, I manage my time by also having a part time job in kiosk printing operation inside our university.
