

VON HENRIEX

MOTION GRAPHIC DESIGNER

EDUCATION

2011–2015

ASIA PACIFIC COLLEGE

Bachelor of Arts Major in Graphic Design

EXPERIENCE

2015–2016

Mobext Inc. (Manila)

UI/UX Designer

In charge of creating pitch project materials, primarily focusing on the design of websites and mobile apps. I communicate design concepts through storyboards, process flows, and sitemaps. Additionally, I generate social media graphics and design content for various purposes.

2016 – 2019

Hashtag Interactive (Singapore)

Digital Designer and Motion Graphic Designer

Create graphic content for social media for diverse clients in Singapore. Later transitioned to the animation team due to the increasing demand for animated outputs in response to trending social media content.

2019 – 2021

Paxful (New York)

Multimedia Designer/Video and Motion Editor

Specializes in crafting animated videos designed primarily for instructional purposes related to the product. A key contributor to the production team, involved in covering promotional events, and actively supports the team in generating social media content.

2021 – 2025

DesignForce.Co (California)

Motion Graphic Designer

Creates animated videos for agency clients and develops graphic content for social media materials.

2025 – 2026

Storyboard Communications (Canada)

Senior Motion Graphic Designer

I design engaging motion graphics and edit videos for digital and marketing content. My role focuses on turning concepts into polished, visually compelling visuals.

PROFILE

Hey there! I'm Von Henriex, a passionate motion graphic designer bringing pixels to life in the vibrant heart of Manila. With a flair for storytelling through visuals and a keen eye for detail, I transform ideas into mesmerizing animations that captivate and engage.

Armed with a toolbox of software wizardry and a passion for visual storytelling, I craft narratives that resonate. Whether it's a brand looking to make a statement or an artist seeking to amplify their voice, I thrive on turning concepts into compelling visual experiences.
